

Driver CPC - Alcohol and Drug Awareness, and Bridge Strikes and Route Planning - Remote Learning

Course Aim

This course is split into two modules Alcohol and Drug Awareness and Bridge Strikes and Route Planning.

The 'Alcohol and Drug Awareness' module is designed to demonstrate the effect drugs and alcohol have on the human body as well as the consequences they can have on the driver's safety and ability to drive when over the legal limit.

The 'Bridge Strikes and Route Planning' module will teach delegates about the driver's roles and responsibilities in the prevention of bridge strikes. The course will cover the consequences of hitting bridges and how it can affect public transport and, subsequently, the economy. This training is designed to help the driver and route planners mitigate these accidents to prevent damages and injuries.

Who Should Attend?

This course is aimed at those looking to obtain their Driver Qualification Card (DQC). This course will count 7 hours towards your mandatory 35 learning hours that you require for the DQC. This course is suitable for those who hold either a HGV or PCV license.

Certification

Upon successful completion of this course, delegates will be presented with a printable certificate of competence that will last 5 years. To obtain your Driver Qualification Card (DQC), you must complete 35 hours worth of driver CPC modules.

Agenda

This course contains two modules and includes the following topics:

Alcohol and Drug Awareness:
