

Level 2 Award for Close Protection Operatives in the Private Security Industry - Top Up

Course Aim

This course is designed for delegates who currently hold a licence from the Security Industry Authority (SIA) working as a Close Protection Operative and are required to remain up to date with licence-linked qualification requirements. The course enables delegates to retain their SIA licence by meeting their mandatory top-up requirements as Close Protection Operatives.

Who Should Attend?

This course is suitable for individuals who are currently employed as Close Protection Operatives and need to renew their Security Industry Authority (SIA) licence.

Course Duration

This is a 4 day course.

Maximum Delegates

Maximum attendees: 12 delegates.

Pre-Requisites

Delegates attending this course are required to have the following pre-requisites, as a minimum:

- A valid First Aid qualification (valid for a minimum of 12 months) to participate in this course.

Please note that the minimum requirement is Level 3 First Aid at Work qualification (2 day) with at least 12 months of validity remaining. If you have a valid First Aid qualification before booking the course, proof will be required to be accepted onto the course.

Have English language skills in reading, writing, speaking, and listening equivalent to the following:

- A B2 Level qualification on the Home Office's list of recognised English tests and qualifications.
- A B2 Common European Framework of Reference for Languages (CEFR).

Level 2 Award for Close Protection Operatives in the Private Security Industry - Top Up

Agenda

The Close Protection Operatives (Top Up) Course is split into four sections:

- Principles of Terror Threat Awareness in the Private Security Industry (10-Question Multiple Choice Exam)
- Principles of Working as a Door Supervisor for Close Protection Operatives in the Private Security Industry (10-Question Multiple Choice Exam)
- Application of Physical Intervention Skills in the Private Security Industry (30-Question Exam and Practical Assessment)
- Application of Physical Intervention Skills for Close Protection Operatives in the Private Security Industry (30-Question Exam and Practical Assessment)

All four components must have been successfully completed and passed to enable delegates to apply to the SIA for their licence.

Certification

Upon successful completion of the course, delegates will receive a certificate confirming that they have met the necessary requirements to renew their Security Industry Authority (SIA) licence.

The certificate obtained is valid for three years.

Delegates are required to renew their SIA licence every three years to continue working legally in the industry.
