

IPAF Mast Climbing Work Platform (MCWP) Operator

Course Aim

To provide delegates with the knowledge required to become a qualified Operator of various types of Mast Climbing Work Platforms (MCWP), including safe use practices and knowledge regarding the potential hazards associated with use as well as methods to avoid known hazards post familiarisation.

Who Should Attend?

Anyone who may be required to operate Mast Climbers.

Course Duration

This is a 1 day course.

Certification

Upon successful completion of the course delegates will be awarded an IPAF certificate, valid for 5 years.

Agenda

- Relevant local Health and Safety regulations, standards, codes and guidance for the design, supply, use and management of MCWPs
- Safely operating a MCWP
- Best practice emergency procedures in an event of an emergency
- Carrying out daily checks prior to use

Additional Information

IPAF ePAL

From 1st June '21 all IPAF cards & certificates applied for will be issued in digital format via the ePAL app.

Operators can download the app for free to Apple iOS and Android devices and use it to view and access their digital PAL Cards, logbooks and IPAF safety guides. Our Trainers will talk you through this process at the start of your IPAF course.

HSS Training will be using the **NEW IPAF Digital PAL Card Licence Application (ePAL)** to process all IPAF certification.

- The IPAF Digital PAL Card Licence Application (ePAL) is a mandatory item when making a booking, charged at £29.50 per delegate.
- IPAF Physical PAL Card Licence Application (Printed PAL Card) – If required add the item “ Printed PAL Card and Certificate “ to your basket - additional cost £7.50

Please note an additional fee of £36 will be charged for retrospective applications for hard copy certificates that are not requested upon time of booking.
