Lookout Initial / Site Warden

Course Aim

This course will provide delegates with the knowledge and practical skills required to act as Lookout / Site Warden when required by a COSS as part of a safe system of work.

Only an authorised Sentinel co-ordinator may make bookings on this course.

Who Should Attend?

Those needing to provide warnings (using approved systems and equipment) to protect the safety of a group working 'On or Near the Line'.

The Lookout / Site Warden is deployed in accordance with the instructions from the Controller of Site Safety.

Pre-requisites

Delegates must be at least 18 years of age and sponsored by a Link-up approved organisation with a valid Sentinel PTS Card, a valid Network Rail approved medical certificate, negative alcohol and drugs screening certificate and must be considered suitable to fulfill this highly critical role.

Note:

You must have a good understanding of spoken and written English. Please contact us if you have any concerns in this area 0345 605 0006.
