

NRSWA - Streetworks Unit 2 - Signing, Lighting and Guarding

Course Aim

To provide delegates with the knowledge and practical skills required to sign, light and guard streetworks and roadworks in line with the New Roads and Streetworks Act 1991, revised 2002 Code of Practice (NRSWA). This course covers the setting out of traffic lights, signs, cones and barriers.

If you are booking with less than 3 working days notice from the course start date please ring 0345 605 0006 to confirm this course.

Agenda

This course provides training in:

- Planning a signing, lighting and guard project
- Types of works, basic principles and legal requirements for signing and guarding
- On-site risk assessment, methods of traffic control, speed control and operating portable traffic signals
- Works on footways, cycle lanes, track and cycle routes and near tramways and railways
- Theory and Practical Assessments

Who Should Attend?

This course is for those delegates who work in the roadways and use road signs and traffic lights to protect motorists, pedestrians and the workforce in the highway.

Course Duration

This is a 1 day course.

Certification

Delegates successfully completing the course will receive a certificate from City And Guilds, Certification and Assessment Board for the Water Industry (CABWI) or Scottish Qualifications Authority (SQA) dependent upon location of course.

This certificate is valid for 5 years.
