

Personal Track Safety (PTS) - Initial Assessment Day (Practical Event)

Course Aim

This industry recognised course will provide delegates with the knowledge and understanding required to work safely on or near the railway.

The PTS course comprises two components. There is an e-learning training package, followed by a practical training day.

Who Should Attend?

Those who need to work on the Network Rail controlled railway infrastructure.

Pre-requisites:

Delegates must be sponsored by an approved organisation, be registered on the Sentinel Database and must be a minimum age of 16, meet the medical requirements of Network Rail Standard NR/L2/ OHS/00124 Medical Fitness Level 1 and meet the requirements of Network Rail Standard NR/ L1/ OHS/051 (Drugs & Alcohol).

Delegates must have successfully completed the PTS e-learning component which must also be entered into the NCCA Database prior to attendance.

A drugs and alcohol test must have been carried out no more than 12 months prior to attending a PTS Initial training event.

Note:

You must have a good understanding of spoken and written English. Please contact us if you have any concerns in this area 0345 605 0006.

Only an authorised Sentinel co-ordinator may make bookings on this course.

A blue hard hat is required for the site visit.
